July A-MITzvah Events

July 3 **Vegetable picking and candy packaging**

Leket Israel and AMIT are teaming up to bring you an afternoon in the fields near Rehovot picking vegetables for distribution to Israel's needy. We'll also be packaging candy bags as special treats for the children of AMIT Frisch Beit Hayaed children's home in Jerusalem.

July 10 **Tie-dyeing extravaganza**

Join the tie-dye fun! We'll be tie-dyeing drawstring bags which will later be filled with special surprises for the children who reside at AMIT Frisch Beit Hayaed.

July 24 **Pack your bags**

The children who live with surrogate families at AMIT Frisch Beit Hayaed shuttle back and forth between homes for holidays and Shabbat. We'll package tie-dyed travel kits for each kid so they'll be prepared with what they need when they are on the go.

July 31 **Brighten up the playground**

The playground walls at AMIT Frisch Beit Hayaed could use a facelift. We'll add a splash of color to the space with an afternoon of wall painting that will give the playground a whole new look.
