

Join TEAM GIFT OF LIFE!

Improve your own health
and fitness while being
someone's life-saving HERO!

The marathon courses were especially selected to recount Jerusalem's 3,000-year historical narrative since the beginning of its existence. The Jerusalem Marathon is a spectacular one which challenges the runners while exposing them to magnificent views and Jerusalem's unique culture.

HOW FAR CAN YOU GO?

Marathon • Half marathon • 10K • 4.2 km Family Run • 800 m Fundraiser

Gift of Life is a bone marrow registry and has facilitated more than 2,600 life-saving transplants. However, there are still leukemia and lymphoma sufferers who do not have a miracle match and thus no hope of a cure. So, to fulfill our mission we need to recruit and test more donors.

A match. Anytime. Anywhere. For anyone.

It costs \$60 to test each new donor and funds you raise are exclusively used for this. When a donor whose testing is paid for by Team Gift of Life is identified as a match, we will keep you informed by e-mail.

NOT A RUNNER? Please consider sponsoring Team Gift of Life-
www.giftoflife.org/ep/jm-marathon

As a member of **Team Gift of Life**, you commit to raising a minimum of \$500 or NS 1750. We will register you and provide you with a **Team Gift of Life** t-shirt for the race.
